

AMERICAN INCOME LIFE (AIL)

Recently you may have received a package in the mail from AIL Insurance. In this package there is a response card that you can **voluntarily** fill out and mail back to (AIL).

If you fill out the card and send it back a representative from (AIL) will contact you to discuss the products that they offer.

If you decide to nothing with it you will be covered for Accidental Death and Dismemberment (AD&D) in the event of an Accidental Death or Dismemberment.

USW Local 1005 has worked with (AIL) in the past with Operation Christmas Cheer. The last 4 Christmas seasons during the MANA Lockout, (AIL) has provided support at the picket line during the holiday season by purchasing and distributing gifts to our locked-out members children, and providing gift cards to the Locked-out members.

Any questions please contact American Life Insurance (AIL) at the addresses below.
