FOR USW 1005 RETIREES

T4A's for your Income Tax

Morneau Shepell advised us last night that you will receive two T4A's. You only need one of the two to do your income tax.

In most cases the T4A's will both be the same so it wouldn't matter which one you use.

In a few cases there are amended T4A's (Income Tax Forms), the forms are not the same.

In these cases, Retirees will get a letter from Morneau Shepell to let them know which is the correct T4A to use.

USW 1005 does not issue these T4A's they are issued by Morneau Shepell.
