

USW Local 1005 Strike Authorization Vote

Monday, June 13, 2022

Your Negotiating Committee has called a strike authorization vote to give the Committee a strong mandate in its effort to achieve a fair tentative agreement with Stelco. To be clear, a strike authorization vote is **NOT** a vote to go on strike at this time. A strong strike authorization vote will demonstrate the Union's strength and solidarity!!

Vote to take place on Monday, June 13, 2022
5:30am to 7:30pm
USW Local 1005 Union Hall, 350 Kenilworth Ave.
North Hamilton, ON.

Please come out to support your Negotiating Committee
