

USW 1005 Bargaining Update. Tuesday June 21/22

Your Negotiating Committee continues to bargain in good faith with Stelco with the goal of bringing you a contract that we can recommend for ratification.

On Monday June 13/22, 96.1% of the membership voted in favour of strike authorization. Wednesday June 15/22, we applied for Conciliation. Currently we are not in a legal position to go on strike and the Company is not in a legal position to lock us out.

Please be aware that we will be working past the June 30/22 contract expiry date under the same terms of the current Basic Agreement.

We thank you for your continuing patience and support.

Yours in Solidarity,

USW 1005 Negotiating Committee
