

USW Local 1005 Bargaining Update

Tuesday July 26, 2022

USW 1005 Negotiating Committee met with the Provincial appointed Conciliation Officer today and instructed him to file a “No Board Report” which will put us in a legal strike position. The proposed date is August 16, 2022, but there is a possibility that this could change. We will update you immediately if this occurs.

Our goal has remained the same, which is to bring the membership a contract we can recommend for ratification. We are available every Thursday at 3:30pm at the Union Hall. Thank you for your continuing support and patience.

In Solidarity,

Ron Wells, Jim McColl, Tony McLaughlin, Dennis Van Meer & Brad Job
